GOVERNORS NEWSLETTER
School Year 2011 / 2012
SPRING

Welcome

This is the 2nd newsletter of the school year from the Governing Body. We hope that everyone has settled back into School, and is now looking forward to the Half Term break.

School Performance

The Primary School League tables were published at the end of 2011, and the Governors are delighted that all children in year 6 achieved or exceeded the nationally expected levels in English and Maths, placing Ewelme School amongst the top 10 in the County.

The published statistics on schools performance can be confusing, especially for a small school. If you have any queries, then please do raise these with Mrs Slatter or one of the Governors.

School Lunch Pilot

Thank you for your responses to the School Lunch Survey. The Governors and Head Teacher have been exploring several ways in which we can make hot lunch provision for the children. The catering service offered by the County Council is not appropriate for our small school at the moment as the cost implications to the school's budget would be too great. However, we are delighted that Paul and Sarah, proprietors of The Half Moon in Cuxham are keen to work with the school to provide hot, nutritious and healthy meals, one day a week, and at an affordable price. The 'Half Moon' lunches will be piloted after half term – look out for menus and booking forms coming home!

New Governors required!

The Governing Body is seeking new members from the wider (non-school) community. If you know of someone who is not a parent/carer/grandparent of children at the school, and who is interested in working with other governors and teachers to provide the best possible education for children, then please do ask them to get in touch! There is one current vacancy, and another to be filled later in the year.

More information about the School and the Governors is available on the School website:
www.ewelme.oxon.sch.uk.

To contact a member of the Governing body, please speak in the first instance to Mrs Denton in the School Office.

Please remember that if you are concerned in any way about your child or school life, then your child's class teacher is the first port of call!
