

Ewelme School Blanket Permission Request

Permission to use the school's internet and email system

In today's education, it is not only recommended but expected that children will use the internet for learning and research in all their subjects. They are also expected to be able to correspond by email with children in their own and partnership schools. Oxfordshire guidelines are very strict on the use of internet and email. In primary school, children will always be supervised when doing so. You should also be aware that the internet and email coming into the school is safe guarded by strong Local Authority content scanners.

By signing below you give permission for your child to use the internet and email while supervised at school.

Child's Name: _____

Signed: _____

Permission to use photographs

Staff take photos of the children learning on many occasions through the year. The school is allowed to make use of these photos when inside school by school staff and not available for viewing by the general public. However, there might be occasions when we would like to make photos available more generally- such as visits by the press or photos on our school website. We abide by strict Oxfordshire procedures on the control of children's images which include such guidelines as never putting a child's name alongside their picture on the school's website. We always seek permission from the children themselves to protect their own dignity.

By signing below you give permission for us to use your child's image in connection with activities in the school.

Child's Name: _____

Signed: _____

Permission to attend local visits

The school takes great pride in making use of the local area for the children's learning experiences. Every trip to the local community is carefully assessed and adequately supervised under strict health and safety guidelines. By signing below you give the school permission to let your child participate in short walks or short minibus trips into the local environment (ie. outside school grounds). This includes such trips as to the community sports ground, village hall, watercress beds, war memorial, natural areas, local schools or venues. (This permission does not cover longer 'excursions' or overnight 'residential's'. Permission will be sought on a case by case basis for these.)

Child's Name: _____

Signed: _____

These permissions remain in place for the duration of your child's time in Ewelme Primary. You can retract permissions at any time in writing to the office- this will be held on file.
