## **FREEDOM OF INFORMATION - CHECKLIST FOR ACTION ON RECEIPT OF A REQUEST FOR INFORMATION**

- Decide whether the request is a request under DPA, EIR or FOI
- Decide whether the school holds the information or whether the request should be transferred to another body if the information is held by them
- Provide the information if it has already been made public
- Inform the enquirer if the information is not held
- Consider whether a third party's interests might be affected by disclosure and if so consult them
- Consider whether any exemptions apply and whether they are absolute or qualified
- Carry out a public interest test to decide if applying the qualified exemption outweighs the public interest in disclosing the information
- Decide whether the estimated cost of complying with the request will exceed the appropriate limit (still to be agreed but expected to be around £500)

- If a request is made for a document that contains exempt personal information ensure that the personal information is removed by applying the redaction procedure
- Consider whether the request is vexatious or repeated
- **Remember**
- Schools are under a duty to provide advice and assistance to anyone requesting information.
- The enquirer is entitled to be told whether the school holds the information (the duty to confirm or deny) except where certain exemptions apply.
- A well managed records and management information system is essential to help schools to meet requests.
- Requests should be dealt with within 20 days excluding school holidays.
- Wilfully concealing, damaging or destroying information in order to avoid answering an enquiry is an offence. A valid FOI request should be in writing, state the enquirer's name and correspondence address and describe the information requested.
- Expressions of dissatisfaction should be handled through the school's existing complaints procedure.
